Ordering

Tennyson Graphics can receive orders only by the following methods:

- **Fax** - if you are faxing orders please use our custom order forms. These can be downloaded from our website.
- **Internet** – you can order your barcodes on-line at www.tennysongraphics.com.au/bar1.htm
- **Email** – email your barcode master orders to barcodes@tennysongraphics.com.au

Turnaround Times & Despatch

Film masters will be despatched the same day by Australia Post Express Post Services.

Digital masters are emailed the same day usually within two hours from receiving your order. Simply specify the required file format, most commonly an EPS or Adobe Illustrator file to suit Macintosh or PC. These files import directly into QuarkXpress, Adobe Pagemaker, Adobe Illustrator, Adobe InDesign, CorelDraw or any other popular application program.

Express courier services for deliveries within Australia and all international deliveries incur a small delivery charge.

Barcode Symbol Testing & Verification Service

RJS AutoScan symbol verification and printout	\$20.00* per scan
Barcode symbol performance reports	\$100.00* per barcode

Order History

Tennyson Graphics maintains a database of all orders received, thus we can detect any duplication of old barcode numbers as a free service.

We also can provide a printout of your order history that includes all barcode numbers, product description, magnification (size), bar width reduction and other specifications (film specs and file formats etc). Order history printouts are available from \$20.00* per page to our customers.

Consultancy Service

Tennyson Graphics offers a specialized consultancy service to its customers.

The fee of \$100.00* per hour or \$25.00* per quarter hour session is charged for services via telephone, email or fax.

** All prices quoted are in Australian dollars. Australian customers please note that the prices quoted exclude GST.*
